

DAN E-Learning and Teaching

- The Department of Applied Nutrition is actively streamlining the University and Faculty policy to continue the teaching and learning online through LMS.
- All the students are expected to enroll and continue their habitual semester related academic work through the LMS.
- The DAN staff is in the front and center helping students get actively participate in their day to day learning and teaching during this time of the pandemic.
- Please log into your LMS and start working
 - Old LMS <https://hetc-lms.wyb.ac.lk/>
 - Updated LMS <https://lmsm.wyb.ac.lk/>
- Please contact your respective course coordinators for more information regarding enrollment or course access through LMS.
- Please contact Mr. Chaminda cbandaranayeka@gmail.com at ICT for any technical issues.

Stay safe, Stay home, Get connected, Keep learning and Save lives...
