4ᵗʰ Annual Graduate Research Showcase – GRS 2024

Faculty of Livestock, Fisheries and Nutrition
Wayamba University of Sri Lanka

Guidelines to prepare a poster for the 'Product Showcase'

Product showcase is a platform for you to showcase your innovations, inventions and new findings as a product, a process or a scientific discovery.

- You can create the poster according to your design.
- Size: A2 (Portrait orientation)
- Keep 'Normal' margins (2.54 cm on each side). Margin has been indicated by dashed line in the template.
- Include the GRS original logo on the top left-hand corner of the poster (given in the template). Do not change the size of the logo in the given template.
- Include 'Product Showcase - GRS 2024' in the header (given in the template).
- Include Faculty name in the footer (given in the template).
- Use a clear and visible font for the letters, and high-resolution images for the pictures.
- Include a title. The title should not necessarily be the research title or GRS presentation title.
- Include the names and affiliations of all authors who contributed to this outcome.
- The poster should highlight the novelty of your work, its economic or scientific significance.
- You can include acknowledgements if needed.

NOTE: Please discuss with your supervisor about poster preparation and product display.
