

Faculty Talk: Insightful Seminar Series

Faculty of Livestock, Fisheries, and Nutrition, Wayamba University of Sri Lanka

Topic **Protein-Enriched Crunch: Formulation and Evaluation of Whey-Fortified Extruded Snacks**

Overview

Speaker **Dr (Mrs) H N Nadeesha Dilrukshi**
Senior Lecturer Gr I
Department of Livestock and Avian Sciences, Faculty of Livestock, Fisheries, and Nutrition, Wayamba University of Sri Lanka

Dr. Dilrukshi obtained her BScHons degree in Food Science and Nutrition, specialising in Livestock and Avian Sciences, from Wayamba University of Sri Lanka in 2009. She completed her MSc at the Postgraduate Institute of Agriculture, University of Peradeniya, in 2012, followed by an MPhil from Wayamba University of Sri Lanka in 2017. She obtained her PhD in Food Science from Lincoln University, New Zealand. Dr. Dilrukshi's research interests focus on Dairy Product Processing, with particular emphasis on investigating the effects of plant-based ingredients and processing methods on the quality attributes of novel cheese varieties and utilizing extrusion technologies for the delivery of bioactive components in functional foods.

Moderator **Dr. W.A. Harindra Champa, Chairman, Research Development and Publication Committee, Faculty of Livestock, Fisheries and Nutrition**
